

## Uniform Policy

**The children at Bonding School are happy and proud to put on and wear our comfy uniform! – Parents’ feedback 2017.**

We have uniform that should always be worn for staff and children. It helps with the convenience of knowing what to put on daily and it is also smart, comfortable and practical for playing, learning and getting messy.

Our uniform also helps with settling in, as it helps the children with understanding when they are getting ready and where they are going for the day.

We have designed our uniform for it to be easy for the children to put on/take off, which encourages independence and helps them to manage going to the bathroom by themselves by the time they reach nursery age.

The uniform is the same for all age groups but can be adapted to a navy-blue baby grow (for babies), navy blue leggings or navy-blue shorts if your son/daughter is too small. Our tracksuit bottoms, polo t-shirts, jumpers and summer dresses can be bought on our website.

Please note that your orders may not be in stock but will be ordered and be available within two weeks.

Please always make sure that we have a spare set of uniform and underclothes on site to be used at anytime that we may need to.
