

Jewellery / Hair Bands / Clips Policy

We are not liable for any lost / broken jewellery, hair bands or clips which you may choose to send your child/ren in with.

If you do use a hairband or clips in your child/ren's hair, please make sure that it is something that can't easily fall off or be taken out by your child and nothing that is special to you or your family in any way.

Our duty of care is to take care of your child/ren and their main essentials which they may come in with, such as their bags, shoes, coats, spare clothes and diaries.

Children are often intrigued by small items and they can sometimes be found trying to put objects in their mouths which can be a danger to themselves and others.
