

Monthly theme:  
**Community Helpers**

This theme teaches children about the many groups of people who can help in our neighbourhoods.

**Trips**

Week 1

**Woodside Fire Station**

Week 2

**Visit to Upper Norwood GP Practice**

Week 3

**South Norwood Library**

Week 4

**Small Grocery Store (Peckham Market)**

## Parents' Day

In collaboration with celebrating six years of being open as a Good to a Good with Outstanding Areas registered setting.

### Saturday 16th July 2022

Please book into Parents Day by writing your child's initials on our board outside our front door next to a time slot.

On Parents' Day you will have the chance to look through your child's observation folder, discuss their next steps, complete a parent questionnaire and grab a cupcake.

We have tried with our online system; but The Early Years Diary is the perfect communication tool which doubles as a keepsake book for parents.

Despite our efforts we found that the computer system was a bit time consuming and not as efficient as we'd like things to be so we will be going back to using our paper diaries from this week.

**Fee payments:** Please make sure that fee payments for meals and childcare are made either the day before or on the 1st of every month by 9am, as this enables us to run business smoothly.

We will no longer be sending out kind payment reminders and late payment invoices will be sent out automatically from 10am on the day that payments are due and will be sent everyday until payment is made.
